

2023 6th International Conference on Signal Processing and Information Communications

With ICSPIC held successfully in Seoul, Phuket, Bali, virtual mode in 2021 and 2022 for the past five years. 2023 6th International Conference on Signal Processing and Information Communications (ICSPIC 2023) will be held in Singapore, on February 25-27, 2023.

ICSPIC is proud to host a global gathering of theorists and experts in advanced characterization techniques in the highly complex field of signal processing and information communications, which brings researchers, practitioners, and scientists in discussion of the latest methods, research developments, and future opportunities.

PAPER PUBLICATION

Accepted papers after undergoing a preliminary review and rigorous peer review will be published in **International Conference Proceedings**, which will be indexed by Scopus, zbMATH, etc.

A few selected papers of extended version will be published in **Journal of Communications** (JCM, ISSN: 1796-2021 (Online); 2374-4367 (Print)), which will be indexed by SCOPUS; DBLP; ULRICH's Periodicals Directory; etc.,.

CALL FOR PAPERS

The topics include but not limited to below:

- ▶ Adaptive Filtering & Signal Processing
- ▶ Ad-Hoc and Sensor Networks
- ▶ Analog and Mixed Signal Processing
- ▶ Array Signal Processing
- ▶ Audio/Speech Processing and Coding
- ▶ Biometrics & Authentication
- ▶ Computer Vision & Virtual Reality
- ▶ compressive sensing
- ▶ Optical Communications
- ▶ PDE for Image Processing
- ▶ Speech and Audio Coding
- ▶ Speech Processing,
- ▶ Spoken Language Processing
- ▶ Watermarking and Information Hiding
- ▶ Higher Order Spectral Analysis
- ▶ Image/Video Processing and Coding
- ▶ Internet Signal Processing
- ▶ Modulation and Channel Coding
- ▶ Natural Language Processing
- ▶ Application of Numerical Analysis
- ▶ Computational Mathematics
- ▶ Computational Physics
- ▶ Computational Chemistry
- ▶ Quantum Computing
- ▶ MATLAB Programming and Application
- ▶ Cognitive Computing
- ▶ Cloud Computing
- ▶ Mobile Computing

IMPORTANT DATES

Submission Deadline:	October 5, 2022
Acceptance Notification:	November 5, 2022
Registration Deadline:	November 20, 2022
Conference Date:	February 25-27, 2023

SUBMISSION METHOD

Authors are invited to submit full paper/abstract via Electronic Submission System at Authors are invited to submit full paper/abstract via Electronic Submission System at <http://confsys.iconf.org/conference/icspic2023> or email icspic@iap.org.

All submitted papers should be in the form of .pdf file and are to be with a minimum length of 8 pages, including figures, tables and references. Please use the Specific Template when preparing your full paper.

If you don't plan to get your paper published, it's acceptable to just submit the abstract of your paper for only oral presentation without publication.
